2 Sir is for Commander in Chief, why the proposal should not be unspecifically a more responsible officer than the Registrar. 3 From the Revenue reference it is seen that this is a matter which has already been dealt with and further investigation may lead to the withdrawal of this offer. The recommendation is therefore for Consideration

4 Till we have funds enough for building up a building, I do not think it advisable to invest such a large amount as Rs 5000 on a mere site.

The M. C's proposal to set apart some money from the Naval Victualling Charity for the Dispensary building was not approved by Govt.

For want of funds the present recommendation will also have to be vetted.

5 The Site is a convenient one being adjoining to the existing Customs building. If it is to be sold it will be useful.

I think the M.C. proposal may be agreed

To

Secretary to the Government of Mysore,
Finance and Revenue Department.

SIR,

Adverting to correspondence ending with your letter No.3560/Mu/314 3559-28-3 dated 29/30th May 1929 in the matter of the purchase of a building on the Tirupathi Hills for the use of non-Brahmin pilgrims, I have the honor to state that since making my last proposals, the Heskar has reported that a large site close to the present Chattram measuring 1 acre 94 cents is available and that the owner is willing to part with it for Rs.5000/- (vide his letter received with the Heskar's report, copy of which is enclosed). By purchasing this site, we will be in a position to put up the building in portions for the use of the non-Brahmin pilgrims, as funds permit, according to approved plans, and can limit the progress of the work to the funds available. We will not be required to spend the large amount that is required for the purchase of the proposed building in a lump. In view of the keen demand for sites on the Hill, the price now wanted is reasonable. I therefore beg to recommend that the site may be purchased from the party and the transactions closed early.

2. As to how to meet the cost of this site, we have reserved out of the Tasdik grant of Rs.1500/- last year, and a similar sum can be saved this year, making a total of Rs.3000/-. For the remaining Rs.2500/-, I shall submit my recommendations later on. In the meanwhile as it is learnt from a subsequent letter of the Heskar that the owner of the site is intending to withdraw from the offer
